## Champagne and Sparkling Wines

### Non Vintage Champagne

Most of the Champagne produced today is "Non-Vintage" meaning that is a blend product of grapes from multiple vintages.

1000	Perrier Jouët, Grand Brut	NV	86
1002	Veuve Clicquot, Yellow Label, Brut	NV	125
1004	Moët & Chandon, Brut Impérial	NV	115
1005	Ruinart, Blanc de Blancs	NV	125
1006	Heidsieck & Co, Monopole, Brut	NV	85
1007	Nicolas Feuillatte, Brut Reserve	NV	90
1008	Piper-Heidsieck, Brut	NV	95

If the conditions of a particular vintage is favorable, some producers will make a "Vintage Champagne"; this wine must be composed of at least 85% of the grape from the vintage year. Cuvée Champagne should be the best that Champagne has to offer.

## AMERICAN WHITE WINES

### Napa Valley and Sonoma County

Napa Valley is widely considered one of the top wine regions in California, and all of the United States, with a history dating back to the Nineteenth Century. The combination of Mediterranean climate, geography and geology of the valley are extremely favourable for growing quality wine grapes.

#### *The one from Sonoma...*

More than twice bigger than neighbouring Napa, Sonoma County overflows with wineries and grape varieties. Within this appellation's one million total acres, over 190 wineries make their home. Practically every variety of grape grown in California can be found somewhere in Sonoma County.
